This submission is linked to the District 7 Community Alliance submission on Material Alteration Number 4.2 and Motion MOT-01602.

The material alteration suggested here is a result of a confusing recommendation to MOT-01602. It should be noted that by any definition, including Map K, that Phibsborough is not "largely located outside the canal belt". It in fact lies entirely within the canal belt. It therefore cannot be regarded as an inner suburb as per the definition of the Development Plan.
