Re: Proposed Addition to the RPS Ref. 8849

TO WHOM IT MAY CONCERN,

I am writing to object to the proposed addition of two walls at 4a Henrietta Lane to the Record of Protected Structures.

One of these walls is on to Henrietta Lane and it is clearly not an 18th century structure, as claimed here. This wall is a poorly constructed 20th century addition made from random rubble. This can clearly be seen in the patch of wall that has been exposed by render falling off due to water damage.

The boundary wall with 3 Henrietta Lane is already protected by its respective owners, making this a redundant addition to the RPS.

I thank you for your consideration.

Yours sincerely,
